UNIVERSIDAD DE GUANAJUATO

INTERNATIONAL SUMMER RESEARCH PROGRAM 2027

The International Summer Research Program is an eight-week initiative offered by the International Office at the University of Guanajuato. Designed for undergraduate students, the program provides research training, faculty mentorship, and opportunities for both cultural and intercultural immersion.

PARTICIPANTS WILL:

- Undertake 8 weeks of faculty-guided research
- Engage in cultural activities
- Develop an intercultural profile
- Meet with peers
- Present a poster / oral presentation / workshops of research results.
- Build professional connections

PROGRAM DATES

- Early June to late July, 2027

RESEARCH AREAS

- Arts
- Economic and Administration Sciences
- Engineering
- Health Sciences
- Life Sciences
- Natural and Exact Sciences
- Social Sciences and Humanities

TOTAL WORKING HOURS

240 hours

APPLICATION INFORMATION

APPLICATION FILE

1. Letter of nomination issued by the International Office of the proposing institution (full name and email indicating that the student is academically recommended to conduct research)
2. Letter of intention specifying research area of interest (written by applicant)
3. Letter of recommendation issued by a professor
4. Current passport scan containing both photo and signature pages
5. Academic record

INSTITUTIONAL NOMINATIONS

All documentation must be scanned from the original source and sent through the International Office of the applicant's institution to international.events@ugto.mx:

Subject: Nomination: International Summer Research Program*full name*

Format and Resolution: Save scans as one PDF file (Max size 10 MB)

***Application files sent directly by students will not be considered. ***

LETTER OF ACCEPTANCE

Students will receive an Acceptance Letter by mid-March following thorough document review and approval.

ELECTRONIC REGISTRATION

Once their official nominations have been approved, students will receive detailed instructions by email on how to complete their registration through the University of Guanajuato online platform: https://intraug.ugto.mx/.

Students must ensure that all registration information is completed accurately and submitted no later than April 26, 2027.

ASSIGNMENT TO A RESEARCH GROUP

As of May 21, 2027, students who have successfully completed the electronic registration process will be joining a research team at the University of Guanajuato. The Institutional Research Committee will review each student's academic interests and determine the research area that most closely aligns with their preferred field of study. Students will receive their placement information by email.

NOMINATIONS DEADLINE:

March 1st, 2027

FINANCIAL INFORMATION

The program registration fee is covered by the University of Guanajuato

COSTS TO BE COVERED BY THE PARTICIPANT

- Round trip to and from Guanajuato International Airport (BJX)
- International Medical Insurance
- Personal expenses during the stay
- Entrance/Participation fees for cultural activities

UNIVERSITY OF GUANAJUATO STIPEND

Students admitted to the program may be eligible to receive financial support for accommodation and meals. Because of institutional administrative procedures, funding will be provided during the program rather than at the outset. Students do not need to submit a separate application to be considered.

Participants are hereby advised to ensure that they have adequate financial resources to cover their living expenses prior to their journey to the city of Guanajuato, as financial assistance will not be provided to all attendees.

INTERNATIONAL OFFICE SUPPORT

The International Office will provide:

- Transportation from and to BJX airport to the city of Guanajuato from 7am to 9pm
- Assistance to find suitable housing options (Individual or shared rooms)
- Guidance and support prior and during participants' stay
- Provide official UGTO ID to get applicable benefits and discounts (Public transportation, museums, cultural events, etc.)

ACTIVITIES

- Orientation session
- Opening ceremony
- Development of research
- Delivery of final research products
- Excursions and cultural activities
- Conference and closing ceremony
