

The logo of Mingchi University of Technology is a circular emblem. The top half of the circle contains the Chinese characters "明志科技大學" (Mingchi University of Technology) in white. The bottom half contains the English text "MINGCHI UNIVERSITY OF TECHNOLOGY" in white. In the center of the circle is a red square with a white stylized character, possibly "明" (Ming). Below the central square, the text "SINCE 1963" is written in white.

指導教授：劉定宇 博士

透過調整掃描數控針銹米粒子生長可以得到適當的間距，以提升SERS的訊號，也可施加一偏壓，使其SERS訊號增強近3倍，並且可檢測染料、細菌、生物分子。
